

EFH 10/14 T DC 1p

Specifications

ETI Code	002580006
Description	EFH 10/14 T DC 1p
Class name	Fuse disconnecter
Rated current (A)	63
To use with	CH gPV fuse-links
Size	10/14x85 T
Number of poles	1
Utilization category	PV-0
Connection	0,75 - 50mm ²
Rated DC voltage (V)	1500
Mounting	35mm DIN rail
Ambient temperature (°C)	-5...+40°C
Standards	IEC 60947-1, IEC 60947-3, UL 4248-1, UL 4248-19
Application	Photovoltaic Installation
UL certificate	E356295

ETIM international clasification

Classification	EC002705
Class name	Holder for cylindrical fuse
Number of knife blade fuse holders	1
Application	Photovoltaic Installation
Rated current	63
Rated voltage DC	1500
Construction size	10/14x85 T
Nominal voltage	1500V
Mounting method	Other
For fuse size	10x85 mm
Number of poles	1
Degree of protection (IP)	IP20
